The rolls will be filled: cheese and pickle; cheese and onion; and ham and tomato. The price would be. £1.50 each. The doors open at 6.30pm so we will meet at 5.15 to prepare food and also set-up the hall.

4. **Any Other Business:** Bill pointed out that any leak in the radiators would result in the lowering of pressure in the boiler, and thus reducing the amount of heat in the radiators. He explained how to check pressure in boiler and happy to show committee members if unsure.

Danielle pointed out that with the Centenary Anniversary coming up this year, would be good to get Cinema up and running. Sue to check with music licensing, etc with PPL/PRS. Bill very happy to assist Dani with this project.
