Gardening – Ginny looking into weed control.

Upstairs area – much discussion on what is needed for upstairs, as there is no interest at present it has been decided to revisit this area after Christmas with a view to making a comfortable space possibly for art classes, mother and baby groups, café /filling a need within the community.

Printer – Purchasing a laser printer so we can do flyers for events etc. Simon to bring costings to next meeting.

Accounts are looking quite healthy, which is good for starting to purchase some of the items we require.

Hall Air – The quality of the air in the hall was discussed, Rick looking into air purifying machines. The gents toilet needs complete revamp – for now remove mould and good clean. Also steam curtains and fabreeze?

Bookings – Pilates and Zumba are coming back and Adventurers are hoping to resume meeting. Discussions were held on Yoga, who feel they just want to use the hall when the weather is not good. A decision was made that she will be told a cancellation period of 24 hours is needed so as to let keyholders know. If she is not going to use it regularly and another booking comes up they will take precedence.
